

Date: 08<sup>th</sup> of July 2025

**To Whom It May Concern:**

### **JOB EXPERIENCE CERTIFICATE**

This letter serves to confirm that **Mr. Viyannalage Nipuna Sudesh Wickramasinghe (National Identity Card No: 200031904294)** was employed as an Intern Software Engineer at Prime Technologies Global (Pvt) Ltd from 13<sup>th</sup> of November 2024 to 13<sup>th</sup> of May 2025..

During his tenure with us, Mr. Nipuna made significant contributions to our software development team.

His responsibilities included, but were not limited to:

- Actively involved in writing, testing, and maintaining code for various software applications, demonstrating proficiency in multiple programming languages and frameworks.
- Participated in code review sessions, providing valuable feedback and implementing performance improvements to enhance application efficiency.
- Conducted research on new technologies and tools, presenting findings to the team and integrating suitable solutions into our development practices.
- Created and maintained comprehensive documentation for software projects, ensuring that all technical details were clearly communicated.
- Engaged in rigorous testing and debugging processes to ensure the reliability and quality of software products.
- Provided support for existing applications, troubleshooting issues, and implementing necessary updates and enhancements.

Throughout his internship, Mr. Nipuna displayed remarkable analytical skills, a strong understanding of software engineering principles, and an ability to quickly adapt to new challenges. His proactive approach and dedication to continuous learning were evident in the quality of his work and his eagerness to take on additional responsibilities.

Mr. Nipuna Proved himself to be a reliable and motivated team member, consistently delivering high-quality work within deadlines. His collaboration skills and positive attitude greatly contributed to the team's productivity and morale.

We have no doubt that Mr. Nipuna will excel in his future career endeavors and highly recommend him for any software engineering position. He has our best wishes for his future success.

Should you require any further information, please feel free to contact me.

Thank you.

Regards,

S. Kirushanth
